3. Being in attendance for the presentation of the prizes is mandatory. Going to another jackpot, etc. is not a valid excuse.
4. No private fires on the grounds unless approved by Grounds Committee of facility.
5. Only unassisted Peewee runs will accumulate points towards the Hi-Point Awards and day payout. **All** Peeweewees will receive a participation prize.
6. To be eligible for the **Hi-Point Awards**, each race will be considered an individual race. Take note, this is **ONLY** for the determination of the high-point awards **ONLY**.

A) Points will be awarded to each division based on 60 for 1st, 50 for 2nd, 40 for 3rd, 30 for 4th, 20 for 5th and 10 for 6th. You must have at least one set of points from barrels and poles to be eligible for the Hi-Point award.

B) In the event of a tie, points will be applied to the cash payout system also (best of both runs and then 3D) and then added to the already tallied high points.

C) In the event of yet another tie, the points from A) will be looked at in the following manner. The rider/horse combo with the **most placings** will determine the winner.

Example:

Fast Sally - Race #1 1st-2D - 60 pts ----- Go Gracie - Race #1 1st -1D - 60 pts

Race #2 3rd-3D - 40 pts ---- Race #2 2nd -1D - 50 pt

Race #3 3rd- 2D - 40 pts ----- Race #3 -N/T - 0 pts

Race #4 5th - 2D - 20 pts ----- Race #4 2nd -1D - 50 pts

Fast Sally has 1 - 1st place 2 - 3rd places and 1 - 5th place

Go Gracie has 1 - 1st place and 2 - 2nd places.

Fast Sally wins as two 1st places cancel each other out and 3 placings wins over 2 placings for Go Gracie.

D) Another tie? **Total cash won**, both events, all runs.

E) Still tied? **Most Consistent**... We will take the difference between the two barrel runs, and the difference between the two pole runs and add them together. The horse/rider combo with the least amount of time will win. This is down to the 1000th of a second.. 1st run 17.546 - 2nd run 17.896 = 0.350 in barrels and 1st run 26.897 - 2nd run 27.345 = 0.448 in poles. There is a difference of 0.798 for consistency.

F) If they are still tied?? In the event of another tie the contestants that are tied will have their names entered in a draw and the draw will take place in front of everyone during the presentation.

7. The individual event prizes will be determined by the faster of the two runs for both barrels and poles.

8. One random draw will be made for barrels and poles for each day of competition. The list will be posted at the end of the arena for riders to view and the gate person will also have a copy.

9. Two sets of poles will be used for all divisions if feasible to arena size. Rider/horse combo must have one run on each side (Left side or Right side). For safety reasons riders can request to run alone.

10. Rakes will take place after appropriate number of horses pending ground conditions.

11. There will be a 60 second time limit for entering the arena. If the 1st attempt fails, another 60 seconds will be given at the end of their age group. If they do not succeed in entering, there will be a NO TIME awarded.

12. You must stay mounted on your horse to exit arena. No getting off and leading them out unless arrangements have been made with the directors.

13. Once draw has been made no names will be added.

14. Open Riders \$25 per horse per event; Intermediate Riders \$20 per horse per event; Junior Riders \$15 per horse per event; Peewee Riders \$15 per horse per event.
